

## Free Tutti Milano watch!

Again, we have added a wanna-have to the collection of BS promotional Goodies! This state of the art waterproof watch by Tutti Milano will be automatically given to you when you place an order with our sales department. The watches are available in BS Forklifts red and white colours. Our Company colours!!

Take Your Time!! is the slogan used by a dynamic upcoming brand which produces watches with Swiss quality and origin. You will probably know the brand from the famous Dakar Rally. These watches are meant for successful people only!!

## How does it work?

Due to limited and a very exclusive edition of this watch, there will be only one watch available per company. This promotion will last as long as we have it available. There is no minimal order amount set to obtain this watch. So check our stock at [www.bsforklifts.com](http://www.bsforklifts.com) and **take your time with Tutti Milano!!**
